2. _____
3. _____
4. _____
5. _____

Step 3: List your contact information:

Name: _____
Phone: _____

WSDA Contact Information:

Verónica Segura: vhsegura@agr.wa.gov
(509) 225-2639 or 877- 301-4555 then Press 2

Persons with disability should notify WSDA in advance at (360) 902-2015 (Telecommunication Device for the Deaf at (360) 902-1996) if accommodation is necessary.

PRE-LICENSE

Register using this form: We will contact you to confirm your registration. Pre-license training classes consist of several hours of instruction followed by an exam session for those interested in obtaining the Private Applicator license. The license fee, which is expected at the time of testing, is \$25. A WPS Handler Training Verification Card is available upon request.

WSDA sponsored classes are free of charge. To be successful on the WSDA exam, participants should obtain and study the Spanish Private Applicator Manual (MISC0126S) **prior** to the course. To purchase the manual (\$14.50 + tax & shipping) contact your local WSU Extension office or call WSU at 1-800-723-1763.

WPS HANDS-ON TRAINING FOR PESTICIDE HANDLERS

Registration is through the sponsor listed for each course. Contact them directly to register. Do NOT contact WSDA!

This one-day workshop in Spanish trains unlicensed pesticide handlers in safe pesticide handling techniques. The workshop provides practical, hands-on training. It meets the training requirements of the Worker Protection Standard (WPS). Participants receive a WPS Handler Training Verification Card upon completion of the workshop. Six (6) pesticide license recertification credits are available for licensed individuals.

Cost is \$60/person, with financial assistance available for the Okanogan workshop. Contact the sponsor to learn more.

TRAIN the TRAINER LEVEL 1 AND 2

Registration is through the sponsor, WSU Grant-Adams Cooperative Extension. To register, call (509) 754-2011 Ext. 411. Do NOT contact WSDA!

Level 1: This one-day workshop in **Spanish & English** is designed to help trainers of agricultural establishments effectively deliver Worker Protection Standard (WPS) mandated pesticide safety training for pesticide handlers and fieldworkers. Participants will learn what topics need to be covered along with effective training methods. Trainers will receive a WSDA Certified Trainer card and will be qualified to issue WPS worker and handler training verification cards. Six (6) pesticide license recertification credits are available for licensed individuals.

Level 2: This workshop offers continuing education with a strong, in depth, hands-on approach for those who have taken Level 1.

Cost is \$35/person payable to the sponsor:
WSU Grant-Adams Cooperative Extension
